Spending time as a couple is one of the most significant things you can do for your relationship. On **Saturday 4 June**, St James's Centre, Gerrards Cross (about 1 1/2 hours from Cambridge) are hosting a special **'Day together'** seminar for any couple... time away to listen, laugh, learn more about each other and to talk and reconnect whatever stage of life you are in. Whether you're married or not, whether your marriage is solid or needs a good 'MOT', this is a day for every couple. Alasdair and Olivia Coles will be speakers at the event. The day is offered at the bargain price of £15 per couple as this is part of a trial of new material and a 'new look' day. In return we'd value your feedback to help us with publicity and to refine the seminar for others in the future. For more info contact Jane Josten Tel 01753 885576, email: [janefamilylife@googlemail.com](mailto:janefamilylife@googlemail.com)

**Jimmy's Night Shelter** currently have vacancies for part-time and locum **Project Workers** to take responsibility for Night Shelter shifts. Contact [claire@jimmyscambridge.org.uk](mailto:claire@jimmyscambridge.org.uk) for more details.

If you would like a copy of the notice sheet e-mailed to you, please send an e-mail request to the Parish Administrator. **A large print version is available at the back of the Church**

# ST ANDREW'S, CHESTERTON

*A thriving, open and welcoming church community  
for all ages*

[www.standrews-chesterton.org](http://www.standrews-chesterton.org)

## 15 May 2011

**WELCOME** to St Andrew's today.

Our object this morning is the church door which you probably came through to enter the church. Most of what you see on the outside is late 19th century, but look inside and you'll see parts of the door that are 500 years old. You will see equally old doors into the vestries (from the chancel) and at the base of the tower if you take a good look.

But the main door's principal purpose today is to be open and welcome us all in—so we hope you do feel welcome! Do also join us for coffee in the Hall after the 10am Family Service.

*If you would like to know more about life at St Andrew's, please fill in one of the 'Welcome' cards in the pews and hand it in to one of the clergy.*

*There is a **toilet** at the east end of the church: a sidesperson will point you in the right direction.*

**'Jesus said... "I am the gate for the sheep. Those who come in by me will be saved; they will come in and go out and find pasture.'**  
*John 10.10*

### This week

The **Book Group** meets on **Tuesday** to discuss Karen Armstrong's *12 Steps to a Compassionate Life*—8pm at 42 Hawthorn Way, the home of Ewa Allen (367351). All are welcome. The July book is Mark Haddon's *The Curious Incident of the Dog in the Nighttime*. Some free copies are available from Mick Lumsden (350550 or mick@mplumsden.plus.com).

Next weekend is the **Parish Weekend** at Belsey Bridge. Over seventy of us will be away for that but services will, of course, continue here as normal—and there will be Junior Church in the Hall.

### St Andrew's News & Notices

The next **Hard Questions** will be held at the Gardoms' house (17a, Millington Road, CB3 9HW) at 7.30pm on **Friday 27 May**. The question is: "How does prayer deliver?" so come along and participate! To plan catering, please contact Chris Lamaison, 361780 or cal@camres.co.uk.

On **Sunday 29 May** at 10am the plan now is to have Parish Communion in church and

Junior Church in the Hall, joining the congregation as usual for Communion—we are short-staffed that day, hence the change!

The **2011/2012 giving envelopes** are now available at the back of the Church.

The **4th Sunday Choir in May** coincides with the Parish Weekend, so the 4th Sunday Choir will sing on the 5th Sunday in May, ie 29 May. New members are always welcome. We rehearse at 9.15am on the Sunday morning (generally the 4th Sunday of each month).

**One 'L' of a Lunch by the River**—12 June - tickets now available from Cynthia, 322467—book now—going fast!

Calling all musicians and singers - Informal Worship needs you! The next **Informal Worship** service, on the evening of 29 May is rather short of both musicians and singers. Would you be willing to get involved in this either by playing an instrument or helping lead us in our sung worship? If you are, please contact Olivia (oliviacoles29@gmail.com). We also need someone to look after the technical side of Informal Worship services. No great experience needed, just the ability to work PowerPoint! Again, contact Olivia if you would be willing to help with this. After the Parish Weekend away and before Pentecost at the next Informal Worship service, we will be looking at 'Waiting on the Spirit'. Come along for an evening of praise, worship and reflection.

The next **Silver Threads** is Helen Druiff speaking on Modern Apprenticeship on 14 June. There is no meeting in July. The event after that will be on **Tuesday 9 August**, 2-4pm. Would you like to go on a riverboat cruise on the Georgina, with a cream tea? Cost £15 (or £12 for Silver Threads). All welcome. Please contact Dorothy Peyton Jones on 523485 to express an interest.

### St Andrew's Hall

Following our AGM last Tuesday, the Hall Management Committee for 2011–2012 is now in situ. Committee members are Nick (Chair), Linda Stollwerck Boulton (Vice-Chair), Michael Bond (Treasurer); Denis Howlett, Richard Newbury and Clive Keeler representing Hall Users; Natasha Forster, Sue Francis and Ruth Jones as additional PCC reps (alongside Nick and Linda); and Karen Arrandale and Michael Bond representing St Andrew's Road and Old Chesterton Residents' Associations respectively. Very many thanks to them all!

### Development Project News

The annual meeting unanimously supported plans to proceed with phase 1 of the project, the reordering of the vestry areas (and provision of disabled toilet facilities) and the renovation and moving of the organ.

Some people have asked whether we have considered (the much cheaper option of) having an electronic organ and, as any substantial works on the pipe organ would require us to hire an electronic instrument for many months, we have agreed that it makes sense to test out such an instrument anyway. We are looking to install one for a month over the summer so that everybody can hear what it is like. The PCC, though, has certainly not committed ourselves to the electronic route or expressed a preference for it. Over the coming months we will also be meeting with at least two sets of traditional organ-builders to propose schemes for the renovation and re-siting of our current organ. The views of congregation members (and others) will be welcome throughout the process and we will keep you informed.

At the same time we will be consulting with the DAC (the diocesan planning group) and heritage bodies over our proposals.
