Alasdair Coles is organising the Diocese of Ely Annual Celebration of Healing and Wholeness on **Saturday 18 October**. It is based, for the first time, at Addenbrooke's Hospital and is themed around "Faith and Medicine". There are some excellent visiting speakers (John Wyatt, Chris Cook, Helen Worsdworth) as well as plenty of "locals". If you'd like a more practical day, here's another possibility:

The earthworks are nearing completion and we are soon to let the river flow into the newly created back water and reedbed habitat on Logan's Meadow Local Nature Reserve. We'd like to invite you to come and lend a hand planting young reed on the **Saturday 18 October**, between 10.00am and 4pm. Meet at the base of the Swift Tower on the sports pitches, accessed via the white cycle bridge or Logan's Way. We'll provide the plants, tools and gloves, you'll need to bring your wellies! Please let us know if you intend to join us at park@cambridge.gov.uk or simply turn up on the day, you are welcome to stay for as long or as little as you are able. Folk will be on site to explain the project and instruct where and how to plant the reeds. Light refreshments will be provided.

ST ANDREW'S, CHESTERTON

A thriving, open and welcoming church community for all ages

www.standrews-chesterton.org

5 October 2014

Welcome to St Andrew's.

We may be a little depleted this morning as 90 of us are away on the Parish Weekend at Belsey Bridge (where the morning service will be at about the same time as the All-age Communion here).

Please buy your tickets today for the German evening next Saturday (see Margaret) and take away a GiftAid envelope in readiness for our Gift Day next Sunday—when we are hoping to get a good way towards the £15,000 we need to raise from the congregation for the new disability access and toilet.

If you would like to know more about life at St Andrew's, please fill in one of the 'Welcome' cards in the pews and hand it in to one of the clergy.

There is a toilet at the east end of the church: a sidesperson will point you in the right direction.

'I regard everything as loss because of the surpassing value of knowing Christ Jesus my Lord.'

Come dressed in your lederhosen or in gold/red/black (flag colours) and come and enjoy a fun evening that will also raise money for the development project. Tickets are £8.50 (adults) £4 (children).

We will be discussing *A Street Cat Named Bob: How One Man and His Cat Found Hope on the Streets*. It is a true story of James 'who was living hand to mouth on the streets of London when he found an injured, ginger street cat curled up in the hallway of his sheltered accommodation. He had no idea just how much his life was about to change'. As always, new and occasional members are most welcome.

Mission News

Earlier this year the Diocese of Ely approved a formal link with the Diocese of Kigali in Rwanda, and parish to parish links are being encouraged. With the goal of understanding more about this link, we had Revd Richard Kellow (curate at Histon and Impington and coordinator of the link) speak at our most recent PCC meeting. He explained that the link is focused on learning and sharing as opposed to financial support, with some aims being to:

- Mutually support each other in prayer
- Share each other's spirituality, culture and life
- Develop a world-wide understanding of the Kingdom of God; engage with a different perspective
- Promote links at different levels between each diocese, so those in like-minded roles/groups can more aptly support each other. (Potential for linking a local school with a Rwandan school, creating opportunities for Christian witness)
- Learn forgiveness and reconciliation from the experience of Rwandans through the genocide
- Share skills - especially in light of severely disrupted education and training in Rwanda during the genocide and the years leading up to it. (For example, English language skills, Sunday school development, teacher curriculum development)

We are prayerfully considering this possibility, and would like to hear your opinions on the matter. Please speak with / e-mail Sharon Neufeld, chair of Mission and Giving Committee (sharon.neufeld@gmail.com; 07853 172634) or a member of the clergy or PCC.

PCC News

The PCC met on Monday 15 September. Here are some of the highlights of our discussions:

- Richard Kellow, curate of Histon and Impington came to speak to us about the link his parish has set up with a parish in Kigali, Rwanda. He highlighted the mutual benefits such a link can bring to both parishes in terms of support in prayer, Christian partnership and an opportunity to learn about reconciliation and forgiveness, with many individuals of the Kigali parish survivors of the genocide twenty years ago.
- We reviewed church opening and agreed to have the church open during daylight hours during the week, and revert to using a rota for church opening at the weekends. We also plan to improve signage indicating our use of CCTV.
- We discussed the possibility of getting

The Council is creating a new role of Chesterton/Mitcham's Corner Co-

pilgrim

Pilgrim is a major new teaching and discipleship resource from the Church of England. It aims to help every local church create a place where people can explore the Christian faith together and see how it can be lived out each day. St Andrew's will be continuing along the 'Pilgrim' route this autumn. There will be lunchtime and evening groups, going back to the beginning ('Turning to Christ') and moving on to stage 3 ('The Commandments'). If you'd like to join a group please sign the list at the back of church.

There will be a Thursday evening group beginning on 16 October and daytime group, probably on Tuesday mornings beginning the same week.
