

Would you like to know more about nurturing children's spirituality or learn about meaningful spiritual nurture for all ages? Then, there is a 'Spirituality - Exploring Godly Play' day on **Saturday 23 July** at St Luke's Church. Godly Play is not just for children—I describe it as a different way of listening and responding to the Word of God and it is being used in a variety of settings. I'd highly recommend it to parents of children of all ages or to anyone interested in finding a different way of encountering God. More details are at [www.godlyplay.uk](http://www.godlyplay.uk)

**Cambridge Refugee Resettlement Campaign** (CRRC) will be speaking to St Andrew's in the 10am family service next week (17 July) for our next Gift Day. CRRC provides support to the families that are being resettled in Cambridge from the camps bordering the conflict in Syria. For example, they provide clothing, as these families often arrive with nothing but the clothes they are wearing. 'Welcome packs' are given to arriving families including culturally appropriate grocery packs and toys/equipment for children and babies based on each family's needs.

CRRC provides interpreters to help with any questions or challenges families might have as they arrive in this new country and also arranges qualified ESOL (English for Speakers of Other Languages) teachers to teach English lessons for the adults in the family. CRRC has provided the existing families with bicycles and are raising funds to buy helmets, visibility jackets and other equipment as well as arranging cycling and road safety lessons. CRRC will be telling us what their needs are and how we at St Andrew's can help, so we hope to see you next week!

**Richard and Erica Newbury** have a new reason to be joyful and grateful: the birth of another grandson on 4 July to Cressida and Ben, a little brother to Calliope: Hugo Tristan Dante Murrell.

**Kieran and Kenzie** are growing out of their **bikes**, so we are on the lookout for some bigger ones, if you happen to have one in your garage. They need something like 32cm wheels (rim to rim); 27cm is too small. Donation to St Andrews in return! We also have a balance bike and two very small bikes that they grew out of last year, if anyone with small children would like them. Thanks!

**Calling all artists and craftspeople!** There are plans to start a new daytime art and craft group at St Andrew's Hall this autumn as part of the Open Mind programme. The group would be self-supporting, with people bringing their own projects and

materials to work with, though some art materials will also be made available. If you would be interested in joining the group and helping it to get running, then please let Deborah Bick know (tel 473721 / email [deborah@drybones.co.uk](mailto:deborah@drybones.co.uk)).

### Azul Wasi News

Please let David or Mary know if you would like to share your talent and perform something.

'**Are We Alone?**' is an astronomical lecture and tour given by Dr Robin Catchpole on **20 July**, 7.00-10.15pm, with proceeds going to the charity CamSight. We live in a universe perfectly suited to our existence, filled with planets and the building blocks of life, but silent. Dr Robin Catchpole, recent Senior Astronomer at the Royal Greenwich Observatory, considers whether we are the only intelligent beings in the universe and if so why. This event will include a visit to the Institute of Astronomy's 178 year old telescope, as well as chance to hear the story of Cambridge's telescopes and astronomical achievements. Wine and canapés will be served after the lecture and visit. The venue is the Institute of Astronomy, Madingley Road. Parking is available. Tickets £15 each, from Sally Nott, CamSight C 420033 or by email: [sally.n@camsight.org.uk](mailto:sally.n@camsight.org.uk)
