St Andrew's News

New We have had a request for volunteers to walk with a resident from The Cambridge Nursing Centre in his electric wheelchair to

church and back to the home after the service on a Sunday morning. He wants to come every week but there are not enough staff to accompany him. If you can help, please speak to Kathryn.

Last week, with 2 other Youth for Christ volunteers, I did a sponsored walk and quiz night to support our "year out". If you would like to sponsor my fundraising efforts, please come and see me at the Hall and I can explain further about what I am doing here and at Youth for Christ https://yfc.co.uk/support/?support=Connor%20Kennedy&team_ID=3218 Thank you

If you are a regular giver to St Andrew's, please pick up your named Parish Giving Scheme pack which includes a letter from Nick from the back of church. There are spare packs available if you are not already, but would like to become a regular giver by direct debit.

This year we are required to revise our electoral roll, which means that anyone wishing to be enrolled on the new roll (whether on the current roll or not) must complete a fresh application form. The deadline for re-enrolling is 31 March. Forms are at the back of the church. Please complete one and hand it to a sidesperson or a churchwarden, or hand it in at the office in the hall. N.B. Couples: please fill in one form each.

The Faraday Institute are delighted to be bringing a performance of the highly acclaimed play, Mr Darwin's Tree, to the Cambridge Science Festival 2019. Andrew Harrison's compelling 75-minute solo performance focuses on the relationship between the agnostic Charles Darwin and his Christian wife, Emma, and takes us on a fascinating journey through Darwin's life and through some of his own exploration of questions of science, faith, love and human destiny. It will be on **Thursday 14 March**, 5.30pm, at The Old Divinity School, St. John's College. <https://www.sciencefestival.cam.ac.uk/>
