## St Andrew's News

**New** The organ at St Andrew's began life in 1860 and had its last major reconstruction exactly eighty years ago. Since then it has been played every single Sunday, often twice, not to mention the many marriages and funerals it has served, as well as countless special events and concerts. It is now pretty worn out—at least as far as the electrics and the console are concerned—and increasingly unreliable. The Churchwardens and PCC, guided by a highly experienced organ advisor, have decided that it is time to rejuvenate the instrument. They have identified an organ builder, Henry Groves & Son, who has suggested an attractive scheme for refurbishment. This scheme uses all the existing pipes, but will completely renew the organ's complex inner workings (this picture gives a glimpse of how it looks now) as well as providing a brand new moveable console and some new stops. That means we can keep the organ's familiar and much-loved tone, but with a state-of-the-art mechanism which should ensure that there will be organ music to accompany the worship, greet newly-weds or comfort mourners for many generations yet. A large proportion of the sum (£124,000) needed for the refurbishment is already to hand, thanks to a bequest left by Barry Eaden, a previous Choirmaster, as well as the visionary generosity of the Friends of St Andrew's. Those monies, together with a grant from

the Amey Community Fund, mean that we have a sum of £22,000 left to find. Would you be willing to contribute to ensuring that there will continue to be an organ at St Andrew's for at least another 120 years? You can give by: Making a cheque payable to 'St Andrew's Chesterton PCC' and writing 'Organ Fund' on the back (send these to: Organ Fund, St Andrew's Hall, St Andrew's Road, Cambridge CB4 1DH). Or by making an online transfer to 'St Andrew's Chesterton PCC'; sort code 20-17-35, account number 80263524. Please also include as the reference 'Organ Fund', which is important. It would be very helpful if at the same time you could email treasurer@standrews-chesterton.org to say that you are making the donation and whether you would like us to claim Gift Aid. Thank you.

Cambridge, though the main focus is on Whitworth House which recently was under threat of closure - happily averted for the time being. The Chairship is a completely voluntary role: something for a person to get their teeth into during the weekend, or of an evening. This past year, the role has been a challenging one due to our campaign to keep Whitworth House open, and to challenge funding cuts proposed by Cambridge County Council Officers. And in the coming months and years, we're looking for someone keen to strengthen our partnerships with local organisations like Jimmy's, the CCHP, Women's Aid, and CHOP, towards securing a future for Whitworth House, and fighting for housing provision for vulnerable women in our city. We would like to hear from individuals who are interested in taking over from Ruth, our current Chair, this August. Write to us at [whitworthtrust@gmail.com](mailto:whitworthtrust@gmail.com)
