Other news

The Whitworth Trust is currently looking for a new chairperson. The Whitworth Trust evolved from the Friends of Whitworth House to embrace more widely the problem of homeless women in Cambridge, though the main focus is on Whitworth House which recently was under threat of closure - happily averted for the time being. The Chairship is a completely voluntary role: something for a person to get their teeth into during the weekend, or of an evening. This past year, the role has been a challenging one due to our campaign to keep Whitworth House open, and to challenge funding cuts proposed by Cambridge County Council Officers. And in the coming months and years, we're looking for someone keen to strengthen our partnerships with local organisations like Jimmy's, the CCHP, Women's Aid, and CHOP, towards securing a future for Whitworth House, and fighting for housing provision for vulnerable women in our city. We would like to hear from individuals who are interested in taking over from Ruth, our current Chair, this August. Write to us at whitworthtrust@gmail.com

Climate Change: What should I know, and how can I respond? Join us for an evening of information and discussion facilitated by scientists from British Antarctic Survey (Ed King) on Wednesday 17 July, 8pm, at St Philip's Church Centre, 185 Mill Road, CB1 3AN.

Items for potential inclusion in the next pewsheet should be sent to admin@ by Wednesday lunchtime please.

If you would like a copy of the notice sheet e-mailed to you, please send an e-mail request to admin@.

14 July 2019

Welcome to St Andrew's Church. We welcome Rachel and John Waters, our CMS mission partners in the Middle East, who will be speaking to us about their work today. Coffee will be served in the hall after our Sung Eucharist service this morning when there will be an opportunity to meet and talk to John and Rachel. This evening, at 5.30pm, there will be a quiet communion service, to which all are very welcome.

Please ask a sidesperson at the back for access to the toilet.

If you would like to know more about life at St Andrew's, please fill in one of the 'Welcome' cards in the pews and hand it in to one of the clergy.

We have gluten-free wafers available for Communion—please speak to one of the sidespeople at the back.

'They had come to hear him and to be healed of their diseases.'

St Andrew's News

New Do you want to improve your knowledge and appreciation of religious poetry? A new group (led by Peter Hilken)

will meet on alternate Tuesday mornings at 10.30am in the hall annexe, starting 10 September. Sessions will focus on the themes of creation, faith, hope, etc and we will consider how best to read the poems. For information contact [<peter.hilken@ntlworld.com>](mailto:peter.hilken@ntlworld.com) or tel 709769.

New Christian Aid Week fundraising efforts at St Andrew's this year netted £1386 with a further £161 reclaimed through gift aid, thus bringing the grand total to £1547. The door-to-door collectors covered 15 streets and amassed £1029. The Big Breakfast brought in £297 and Gift Day donations amounted to £61. A big thank you to those who gave, to those who helped with the door-to-door collections and to those who put on and attended the Big Breakfast.

New News from the recent PCC Meeting

We are planning to book accommodation at Belsey Bridge for a Parish Weekend in the autumn of 2020. We will publish the dates as soon as the booking has been confirmed.

Our new ministry experience scheme participant is Hannah Fytche who will join us in September, focusing on youth work alongside Connor Kennedy who has been reappointed for a further year as a Youth For Christ worker.

Work on renovating the organ will start in the church in January 2020, although various components will be built off-site before then. The total cost will be about £130,000 plus reclaimable VAT. Generous donations and grants amounting to £109,000 have already been received, or are promised. We are appealing for further donations to cover the shortfall of £21,000. There will be an opportunity on Sunday 6 October to say thank you to John Marsh for his long and valued contribution to music at St Andrew's.

Income to the end of April was £2700 down compared with last year. Please do review your giving and sign up to the direct debit parish giving scheme, if you have not already done so.

The organ restoration fund

The organ at St Andrew's began life in 1860 and had its last major reconstruction exactly eighty years ago. Since then it has been played every single Sunday, often twice, not to mention the many marriages and funerals it has served, as well as countless special events and concerts. It is now pretty worn out—at least as far as the electrics and the console are concerned—and increasingly unreliable. The Churchwardens and PCC, guided by a highly experienced organ advisor, have decided that it is time to rejuvenate the instrument. They have identified an organ builder, Henry Groves & Son, who has suggested an attractive scheme for refurbishment. This scheme uses all the existing pipes, but will completely renew the organ's complex inner workings (this picture gives a glimpse of how it looks now) as well as providing a brand new moveable console and some new stops. That means we can keep the organ's familiar and much-loved tone, but with a state-of-the-art mechanism which should ensure that there will be organ music to accompany the worship, greet newly-weds or comfort mourners for many generations yet. A large proportion of the sum (£124,000) needed for the refurbishment is already to hand, thanks to a bequest left by Barry Eaden, a previous Choirmaster, as well as the visionary generosity of the Friends of St Andrew's. Those monies, together with a grant from the Amey Community Fund, mean that we have a sum of £22,000 left to find. Would you be willing to contribute to ensuring that there will continue to be an organ at St Andrew's for at least another 120 years?
