### This week

This **Monday** the coffee morning will be in church from 10.15-11.30am.

On **Tuesday** the 20s/30s+ group will begin the Pilgrim course on the Creeds. Using scripture, discussion and prayer, we will be exploring what the Apostles' and Nicene Creeds are, and why we use them. We meet weekly, on **Tuesday evenings at 7.45pm**, at 71 Humberstone Road. New members, including those outside the 20s/30s range, are very welcome! The course is 6 weeks long, but don't worry if you can't make every week. Please contact Kathleen on [kafjowitt@gmail.com](mailto:kafjowitt@gmail.com) if you would like more information.

### Coming up...

The next meeting of the Book Club will be on **Tuesday 24 September, at 8 pm**, at the home of Ewa Allen (42 Hawthorn Way, Tel. 367351). We will be discussing The Turing Test by science fiction writer Chris Beckett, a collection of fifteen short stories. As always, new and occasional members are most welcome.

### St Andrew's News

**New** Maggie and Toby would like to say a huge thank you to everyone for your kind farewell messages, gifts, donations and

words. It was wonderful to celebrate with many of you on our wedding day and we thank you for your prayers as we prepare to move to Bristol to begin training for ordination and a new job.

**Amended** Do you want to improve your knowledge and appreciation of religious poetry? A new group (led by Peter Hilken) will meet on alternate Tuesday mornings at 10.30am in the hall annexe, starting **8 October**. Sessions will focus on the themes of creation, faith, hope, etc and we will consider how best to read the poems. For information contact [<peter.hilken@ntlworld.com>](mailto:peter.hilken@ntlworld.com) or tel 709769.

Christian Aid Week fundraising efforts at St Andrew's this year netted £1386 with a further £161 reclaimed through gift aid, thus bringing the grand total to £1547. The door-to-door collectors covered 15 streets and amassed £1029. The Big Breakfast brought in £297 and Gift Day donations amounted to £61. A big thank you to those who gave, to those who helped with the door-to-door collections and to those who put on and attended the Big Breakfast.

### News from the recent PCC Meeting

We are planning to book accommodation at Belsey Bridge for a Parish Weekend in the autumn of 2020. We will publish the dates as soon as the booking has been confirmed.

Our new ministry experience scheme participant is Hannah Fytche who will join us in September, focusing on youth work alongside Connor Kennedy who has been reappointed for a further year as a Youth For Christ worker.

Work on renovating the organ will start in the church in January 2020, although various components will be built off-site before then. The total cost will be about

£130,000 plus reclaimable VAT. Generous donations and grants amounting to £109,000 have already been received, or are promised. We are appealing for further donations to cover the shortfall of £21,000. There will be an opportunity on Sunday 6 October to say thank you to John Marsh for his long and valued contribution to music at St Andrew's. Income to the end of April was £2700 down compared with last year. Please do review your giving and sign up to the direct debit parish giving scheme, if you have not already done so.

### The organ restoration fund

The organ at St Andrew's began life in 1860 and had its last major reconstruction exactly eighty years ago. Since then it has been played every single Sunday, often twice, not to mention the many marriages and funerals it has served, as well as countless special events and concerts. It is now pretty worn out—at least as far as the electrics and the console are concerned—and increasingly unreliable. The Churchwardens and PCC, guided by a highly experienced organ advisor, have decided that it is time to rejuvenate the instrument. They have identified an organ builder, Henry Groves & Son, who has suggested an attractive scheme for refurbishment. This scheme uses all the existing pipes, but will completely renew the organ's complex inner workings (this picture gives a glimpse of how it looks now) as well as providing a brand new moveable console and some new stops. That means we can keep the organ's familiar and much-loved tone, but with a state-of-the-art mechanism which should ensure that there will be organ music to accompany the worship, greet newly-weds or comfort mourners for many generations yet. A large proportion of the sum (£124,000) needed for the refurbishment is already to hand, thanks to

a bequest left by Barry Eaden, a previous Choirmaster, as well as the visionary generosity of the Friends of St Andrew's. Those monies, together with a grant from the Amey Community Fund, mean that we have a sum of £22,000 left to find. Would you be willing to contribute to ensuring that there will continue to be an organ at St Andrew's for at least another 120 years? You can give by: Making a cheque payable to 'St Andrew's Chesterton PCC' and writing 'Organ Fund' on the back (send these to: Organ Fund, St Andrew's Hall, St Andrew's Road, Cambridge CB4 1DH). Or by making an online transfer to 'St Andrew's Chesterton PCC'; sort code 20-17-35, account number 80263524. Please also include as the reference 'Organ Fund', which is important. It would be very helpful if at the same time you could email [treasurer@standrews-chesterton.org](mailto:treasurer@standrews-chesterton.org) to say that you are making the donation and whether you would like us to claim Gift Aid. Thank you.
