Azul Wasi News

You can read about life in lock-down at Azul Wasi in the Spring Newsletter which is now available on the church website <https://www.standrews-chesterton.org/church-life/mission-and-giving/azul-wasi/>. We have recently heard that 2 new boys have joined the family. If you are not on the mailing list for these twice-yearly Newsletters and would like to receive them, you can sign up on the website.

An invitation to travel (virtually of course) to the highlands of Peru and Bolivia - <https://youtu.be/sIKLPbKwOhk>. Casa Mantay, in Cusco, is a wonderful home for single young mothers and their children and is one of the other projects that LAFF works with (alongside Azul Wasi), and it has been under threat of closure as a result of the coronavirus pandemic. LAFF is working hard to try to secure funding to prevent these young girls and their children becoming homeless. In response to this we have created a short video journey from our photos of trips in Peru and Bolivia as a one-off means to support Casa Mantay. We are very grateful to Will Harmer, who has composed and played a beautiful backing track, and so we invite you to join us and enjoy being transported to a far-off land, whether or not you feel able to make a donation.

Virtual meetings & services

The website has this week's diary complete with links to each event's virtual community. There are three systems for joining in: (the first two allowing those watching also to take part)

- Small group meetings will be using either the **Meet** platform or **Zoom**
- Bigger services and some smaller ones will be livestreamed on our Youtube channel

All you need to do is click on the (coloured) title of the meeting (on the website list).

We have continuing activities for children and young people: they or their parents will be receiving weekly emails with news and resources.

You can catch up with past livestreamed services on the church YouTube channel (click on the symbol on the church homepage). Sunday morning sermons can be watched or read on the sermons page (see under 'Services').

For young people at St Andrew's, we have 'Sunday Hangouts' at 5.30pm or 6.15pm on Sundays (get in touch with us if you'd like to join in but don't have the link!). We are also continuing with our two midweek small groups, FAF and Higher Wednesdays. We will also be at the 'Youth Corner' in coffee time after church: come and find us there.

St Andrew's News

Just before the lockdown our organ builders were able to dismantle the organ and remove the necessary parts of it to their workshop. They have just about completed that work and the new console has been built too. Our contractors are now able to come on site and will be beginning their work on 22 June. They

need to do repairs and electrical work in the organ chamber; then the organ—its pipes and soundboards—will be reinstalled, the new wooden screen into the chancel fitted, the chancel floor repaired and restored, and the organ 'voiced'. This should mean that our renovated organ will be up and running in the early autumn. (ahead of schedule!).

The online collection for **Christian Aid Week** has yielded a total of £1,185 so far. Gift Aid at 25% will be added to many of the individual donations. The total exceeds what we collected last year door-to-door. Thank you so much for your generosity at this difficult time.

On bank holiday Monday, Connor was fundraising in aid of Youth for Christ. Youth for Christ aimed to walk the distances of Everest, Mont Blanc and Kilimanjaro from the confines of their own homes. Connor himself walked for the entire duration of the Lord of the Rings trilogy on his staircase. Please sponsor Connor at <https://www.justgiving.com/fundraising/connorkennedy-yfc-milesfromhome>

Though our doors are closed at the moment, we're thinking about how to make St Andrew's more accessible when we re-open. Would you be interested in being part of a small group to explore how we might help people with disabilities feel welcome and participate in our services? We will guide our conversations with a short course, *More than Welcome*, produced by Livability (www.livability.org.uk), a leading UK disability charity. The group will meet for three one-hour discussions online in late May/early June. If you'd be interested to take part, please be in touch.
