

THE FRIENDS OF ST ANDREW'S, CHESTERTON

The Friends aim has been to provide regular support towards preserving and improving the fabric of this beautiful historic church and its surroundings. It is a way of bringing together many people, regular worshippers and others alike, who realise the unique value the church building and its environment has for the character of Chesterton and the wider community. It financially supports projects identified by the church as necessary or desirable to maintain and enhance the Grade 1 listed building.

Since it was set up in 1974, The Friends has contributed many thousands of pounds toward the upkeep of the Church building, including restoration work on the Doom Painting, £20,000 for window restoration, and more recently the installation of the glass doors on the north porch and the new altar dais and lectern steps.

May we encourage you to join if you also appreciate this building?
