

An invitation to travel (virtually of course) to the highlands of Peru and Bolivia -

<https://youtu.be/sIKLPbKwOhk>. Casa Mantay, in Cusco, is a wonderful home for single young mothers and their children and is one of the other projects that LAFF works with (alongside Azul Wasi), and it has been under threat of closure as a result of the coronavirus pandemic. LAFF is working hard to try to secure funding to prevent these young girls and their children becoming homeless. In response to this we have created a short video journey from our photos of trips in Peru and Bolivia as a one-off means to support Casa Mantay. We are very grateful to Will Harmer, who has composed and played a beautiful backing track, and so we invite you to join us and enjoy being transported to a far-off land, whether or not you feel able to make a donation.

Friday 3 July

Welcome to St Andrew's Chesterton, to the fourth of our series of 10am services celebrating some of the things that have been keeping us going during the lockdown: today we are 'Celebrating the NHS'. Virtual meetings & services

The website has this week's diary complete with links to each event's virtual community. There are three systems for joining in (the first two allowing those watching also to take part):

- Small group meetings use either the **Meet** platform or **Zoom**
- Bigger services and some smaller ones are livestreamed on our Youtube channel

All you need to do is click on the (coloured) title of the meeting (on the website list).

We have continuing activities for children and young people: they or their parents will be receiving weekly emails with news and resources.

You can catch up with past livestreamed services on the church YouTube channel (click on the symbol on the church homepage). Sunday morning sermons can be watched or read on the sermons page (see under 'Services').

For young people at St Andrew's, we have 'Sunday Hangouts' at 5.30pm or 6.15pm on Sundays (get in touch with us if you'd like to join in but don't have the link!). We are also continuing with our two midweek small groups, FAF and Higher Wednesdays. We will also be at the 'Youth Corner' in coffee time after church: come and find us there.

Back into the church?

Revised You will be aware that **churches are now allowed to be open for worship**. This is good news, but it's not simple: we will need to sit with 2m between households, singing is not allowed and we have to ensure that we have the right cleaning and social distancing protocols in place. For track and trace purposes we are also asked to keep a record of those attending. This means that we will need people to reserve seats for most services. We are going to ease into this gently and for the time being there will be a mix of online services and those in church. We start next week with the 8am Prayer Book Communion in church and the 10am service (see below) and the evening Taizé service online still. On Sunday 19 July the 8am service will be online and the 10am (Vassa Day) service will be in church (but we will continue to livestream both the 8am and 10am services). I will be writing to everyone with more details next week.

For the **8am Holy Communion next week**: those who wish to be in the church should email Linda (admin@standrews-chesterton.org) or phone (01223 564953) between 10.30am and 12 noon on Monday. You will need to give names attending and a contact email or telephone number. There will be a limit of 18; if as many as that wish to come, we will allocate seats and let you know.

For the **10am on Sunday 19 July**: we will let you know the system for reserving a space next week. There will be 38 seats only (in the centre aisle); those who have not been able to join in our online worship will be first in the queue!

Nick

This week

Our contractors continue their work in the organ chamber and chancel (which now has a temporary screen separating it from the nave). **The church will however be open for private prayer** on Sunday, 2.30-5pm, and during the week from 5 to 7pm and on Saturday from 10am to 4pm.

The book group will meet on **Thursday** at 8pm to discuss Mary Shelley's *Frankenstein*. All are welcome to join us via Zoom. Email zoe.g.lewin@gmail.com for the link.

Next Sunday

New Our diocese has a link with the Diocese of Kigali in Rwanda and at our 10am online service next Sunday (alongside other parishes in our diocese) we will be celebrating that link and the bonds that unite us across continents. The Bishop of Kigali will be preaching.

St Andrew's News

We are so grateful to all who give financially to sustain the life of our church. The good news is that despite our current global health crisis regular giving via standing order or direct debit has increased. The bad news is that our weekly cash collections (which raise almost £1,000 a month) have, of course, disappeared. The introduction of our online 'Donate' button has helped (£650 in two months) but there is still a big hole. Even when we return to church we won't be able to take up cash collections in the same way for a long time to come, so could we encourage those of you who give by cash to consider either joining one of our regular giving schemes (contact Linda or Simon: contacts overleaf) or to contribute by cheque or bank transfer (Linda will give you bank details). We will be setting up one or two more systems for giving in the next few weeks but meanwhile
