

We are delighted that this has raised £2,200 so far. Casa Mantay are going to use this money to cover the salaries of two tutors for 6 months. The young mums at Casa Mantay have been struggling to keep up with remote education without professional support. They are thrilled to know that now they will be able to have one trained tutor for every 4 students to help them out. With other donations and the recent reopening of their workshop, Taller Mantay, Casa Mantay is slowly gaining back stability in its finances. They have now started producing beautiful llama face-masks! *Mary & Chris Pountain*

ST ANDREW'S, CHESTERTON

A thriving, open and welcoming church community for all ages

www.standrews-chesterton.org

Friday 10 July

We have our first Sunday service back in church this week—that's the 8am Holy Communion. The 10am All-age Service and the 5.30pm Taizé service are both online.

Our diocese has a link with the Diocese of Kigali in Rwanda and at our 10am online service (alongside other parishes in our diocese) we will be celebrating that link and the bonds that unite us across continents. The Bishop of Kigali will be preaching.

There will be the opportunity to meet and chat online after our morning services—simply click on the relevant title in the diary list on the website.

Go to the homepage of the website where there will be links to all of Sunday's services and this week's events.

*'You shall go out in joy,
and be led back in peace;
the mountains and the
hills before you shall
burst into song.'
Isaiah 55.12*

- Our schools as they come to the end of this very unusual term

Virtual meetings & services

The website has this week's diary complete with links to each event's virtual community. There are three systems for joining in (the first two allowing those watching also to take part):

- Small group meetings use either the **Meet** platform or **Zoom**
- Bigger services and some smaller ones are livestreamed on our YouTube channel

All you need to do is click on the (coloured) title of the meeting (on the website list).

We have continuing activities for children and young people: they or their parents will be receiving weekly emails with news and resources.

You can catch up with past livestreamed services on the church YouTube channel (click on the symbol on the church homepage). Sunday morning sermons can be watched or read on the sermons page (see under 'Services').

For young people at St Andrew's, we have enjoyed lots of online youth groups and meet-ups over the last few months. Next week, we will be contacting different small groups about some socially-distanced meet-ups for the end of term: if you would like to meet up but haven't been contacted, do email Hannah! Youth groups will then be paused for the summer, as we say goodbye

to Connor after his two brilliant years with us. We'll be back in September for more fun, friendship, and time with God.

Back into the church?

Revised You will be aware that **churches are now allowed to be open for worship**. This is good news, but it's not simple: we will need to sit with 2m between households, singing is not allowed and we have to ensure that we have the right cleaning and social distancing protocols in place. For track and trace purposes we are also asked to keep a record of those attending. This means that we will need people to reserve seats for most services. We are going to ease into this gently and for the time being there will be a mix of online services and those in church. We are starting this week with the 8am Prayer Book Communion in church and the 10am service (see below) and the evening Taizé service online still. Next Sunday (**19 July**) the 8am service will be online and the 10am (Vassa Day) service will be in church (but we will continue to livestream both the 8am and 10am services). On **26 July** both morning services will be in church; the 10am will be a Communion service.

For the **10am next week**: those who wish to be in the church should email Linda (admin@standrews-chesterton.org) or phone (01223 564953) between 10.30am and 12 noon on Monday. You will need to give names attending and a contact email or telephone number. There will be a limit of 36; those who have not been able to join in our online worship will be first in the queue! We will allocate you a seat

Nick

This week

Our contractors continue their work in the organ chamber and chancel (which now has

a temporary screen separating it from the nave). **The church will however continue to be open for private prayer** on Sunday, 2.30-5pm, and during the week from 5 to 7pm and on Saturday from 10am to 4pm.

Next Sunday

New ...is Vassa Day. Our first 10am service back in church will include our traditional laying of a white wreath at the memorial to Anna-Maria Vassa in the churchyard. We will also be saying farewell and thank you to Connor Kennedy on his last Sunday with us.

In the evening we will be having another **Hard Questions** session: this month the question is 'Should we be pulling down statues?'

St Andrew's News

New Anyone who would like to renew their Ely Cathedral Pass, please send Linda an email with your full name(s) by Sunday 26 July.

We are so grateful to all who give financially to sustain the life of our church. The good news is that despite our current global health crisis regular giving via standing order or direct debit has increased. The bad news is that our weekly cash collections (which raise almost £1,000 a month) have, of course, disappeared. The introduction of our online 'Donate' button has helped (£650 in two months) but there is still a big hole. Even when we return to church we won't be able to take up cash collections in the same way for a long time to come, so could we encourage those of you who give by cash to consider either joining one of our regular giving schemes (contact Linda or Simon: contacts overleaf) or to contribute by cheque or bank transfer (Linda will give you bank details). We will be setting up one or two more systems for giving in the next few weeks but meanwhile
