

St Andrew's Church, Chesterton

This Sunday, worship with us at...

## BRAND NEW ZOOM CHURCH!

a shorter service with families  
and children especially in mind

11 October; 9:50, for 10am; on Zoom

(Zoom link to be sent to Families and Youth on Friday, or requested from Linda)

### How to join

Click on the link\* on Friday's church email, and you will be let into the Zoom call by Nick.

Join from **9:50** to say hello - before we mute ourselves at **10am** to hear the service and worship together from our own homes.

Watch as you would watch a livestream service. After the service has ended (no later than **10:30**), you can stay for a chat over coffee with other families if you would like - or leave the Zoom call when you're ready.

\*To join, you will need to have access to Zoom: [zoom.us/](https://zoom.us/)

### What to expect

Come along ready for fun, seeing your Junior Church friends on screen, and spending time with God.

To help us to do this, we'll have lots of **songs** - with actions! - **a Bible story**, prayers you can **pray together at home**, and some other surprises!

Although this is taking place on Zoom, it is a service rather than a children's Junior Church group. You won't be expected to speak or contribute: watch together as you would watch a livestream service.
