### **Church Services: Online**

The PCC decided at their emergency meeting last night that since now we are in another lockdown and given the high rates of new Covid-19 cases in our city, we will **not** be holding services in person at either 8am or 10am/11am at St Andrew's until at least the end of February. We will continue to livestream both the 8am BCP Holy Communion service as well as the 10am/11am services.

Therefore there will **not** be any services in person in church this coming Sunday, so please do not come to the church. However, the church will continue to be open for private prayer throughout the week, so please do pop in when you are out on your daily exercise. The PCC agreed that we could hold an afternoon Holy Communion service at 3pm, once or twice a month. This service is aimed towards those who are unable to access online services and for whom it is important to receive Communion. The first of these services will be held on Sunday 17th January.

### **Next Sunday 17th January**

8am Holy Communion (Online)

10am All age service led by the informal worship team (Online)

3.00pm Quiet Communion (In church)
