**The Mission & Giving Committee** is considering which charities to support with remaining PCC funds for this year. We would like to hear from you if there are organisations you would like us to consider. When we choose organisations to support, we seek to enable charities working at the local, national, and international level, considering the five marks of mission:

# ST ANDREW'S, CHESTERTON

*A thriving, open and welcoming church community  
for all ages*

[www.standrews-chesterton.org](http://www.standrews-chesterton.org)

- To proclaim the Good News of the Kingdom
- To teach, baptize and nurture new believers
- To respond to human need by loving service
- To seek to transform unjust structures of society
- To strive to safeguard the integrity of creation and sustain and renew the earth

Please have a look at our website to see the organisations we support / have supported:

<https://www.standrews-chesterton.org/church-life/mission-and-giving/> . For example, knowing that lockdowns are potentially dangerous for people with difficult home lives, earlier in the year we made a donation to "Restored", a Christian charity which seeks to end violence against women by supporting abuse survivors, engaging men in the conversation, training churches for increased awareness, appropriate responses, and referrals.

Please contact Sharon Neufeld ([sharon.neufeld@gmail.com](mailto:sharon.neufeld@gmail.com)) with any suggestions. We appreciate your input.
