Weekly news update, 12 November 2021

Sunday is Remembrance Day and we are glad to be fully in person this year. Saturday Requiem Eucharist (with St Andrew's Singers singing Durufle's beautiful setting) will kick off our weekend's services. Please note that there will be no Sunday evening service. There will be coffee in the Hall (the first for 18 months) after the act of Remembrance; as a Covid precaution we will be asking people to take their coffee to a table and sit down rather than having the old-style milling around. You will also need to leave pretty smartly as the PCC will be meeting at 11.30am!

The **October/November edition of the Chesterton Chimes** is available to download [here](#), or from the website.

The Mission & Giving Committee is considering which charities to support with remaining PCC funds for this year. We would like to hear from you if there are organisations you would like us to consider. When we choose organisations to support, we seek to enable charities working at the local, national, and international level, considering the five marks of mission:

- To proclaim the Good News of the Kingdom
- To teach, baptize and nurture new believers
- To respond to human need by loving service
- To seek to transform unjust structures of society
- To strive to safeguard the integrity of creation and sustain and renew the earth

Please have a look at our website to see the organisations we support / have supported:

<https://www.standrews-chesterton.org/church-life/mission-and-giving/> . For example, knowing that lockdowns are potentially dangerous for people with difficult home lives, earlier in the year we made a donation to "Restored", a Christian charity which seeks to end violence against women by supporting abuse survivors, engaging men in the conversation, training churches for increased awareness, appropriate responses, and referrals.

Please contact Sharon Neufeld (sharon.neufeld@gmail.com) with any suggestions. We appreciate your input.
