## Weekly news update, 21 January 2022

On Sunday we welcome back Tricia Troughton, who will be preaching at the 10am service (for the Week of Prayer for Christian Unity). Junior Church meets in the Hall.

On Sunday 30 January (when we will be celebrating Candlemas) **Dorothy & Simon Peyton-Jones** will be telling us about their new involvement and ministry at the pioneering St John's Church in Orchard Park. We will be taking this opportunity to thank them both and their family for their many and varied contributions to St Andrew's Church over many years. (They are not leaving St Andrew's completely so this is more a marking of a significant moment than saying goodbye).

If you would like to sign their card you can do this [here](#). When you click the link, a webpage will appear. On this page, messages already sent in will appear at the bottom of the screen, and there will be a green button at the top of the screen that says 'Add your message'. Click this button, type your name and message into the boxes that appear (and add a photo if you'd like by clicking the purple 'upload photo' button!). Enter your email address, then click 'Add message'. Your message will then be added to the message board and that's all you need to do! If you have any questions or problems with this, email Hannah.

### **St Andrew's News**

The **Chesterton Chimes** for December/January can be found [here](#). The February/March edition will be available next week, Friday 28 January.

**Church Keys.** With the many changes in personnel on the horizon we would like to confirm our list of key holders for the Church and Hall. If you hold any keys for either building please could you confirm in writing which ones by emailing [rachel@standrews-hall.co.uk](mailto:rachel@standrews-hall.co.uk). Thank you

You can still give to **WinterComfort** (following last Sunday's gift day) - by clicking [here](#).

**Sunday Lunch Club** - The decision has been made that we will not be serving lunch until the first Sunday in April when it shouldn't be so cold to sit with all the doors and windows open and hopefully the peak of Omicron infections will have passed.
